User Policy

1 Agreement to terms and conditions
The Site is brought to you by the International Research Institute of Disaster Science (IRIDeS). Please be advised that your use of the Site constitutes your tacit agreement to the below listed terms and conditions.

2 The Area covered by the user policy
The coverage of the terms and conditions include all contents on the entire server necessary to run the Site. If there is any discrepancy between terms and conditions within the Site, the specific area’s terms and conditions should be privileged over those stipulated on the Site.

3 Intellectual Property Right
Unless specified, all the content displayed belongs to the IRIDeS and is protected by the laws and rights of each country.

4 Link to the Site
The IRIDeS is not held accountable for any loss and harm you may incur caused by usage of links on the Site. We forbid all inappropriate links determined Tohoku University IRIDeS. When you post a link in the Site, including posting the URL to a magazine or published book on the Site, please ensure that the following conditions are met:
- The linked site follows the general rule and manner of the Internet usage
- The linked site specifies that a link is associated with “Michinoku Shinrokuden The Great East Japan Earthquake,” and it opens a new tab or a window
- Under no circumstances may you repost any part of the Contents on the Site without our permission

5 Prohibitions concerning the Site and Contents
- The uses of the Contents beyond the parameter of the laws such as replication, modification, transfer, reposting, or any related activities of secondary usages of the Contents.
• Any activity that may violate or pose a threat to the property and privacy of a third party as well as Tohoku University IRIDeS
• Any activity that may cause harm or inflict loss to a third party as well as Tohoku University IRIDeS
• Any activity that violates or may be a threat to public order and standards of decency
• Any activity that abuses, damages, slanders, or threatens the reputation and credibility of a third party as well as Tohoku University IRIDeS
• Any activity that causes the circulation of a computer virus or the use of a potentially harmful programs.
• Any activity that is aimed at making profit or at preparing for profit-seeking
• Any activity that leads to a crime or has the potential for such
• Any activity that violates the law or that could lead to such
• Any activity that Tohoku University IRIDeS determines to be inappropriate

6 Disclaimer
• The accuracy, perfection and compatibility of the provided geographic information are not guaranteed. In addition, the site does not guarantee to provide all of the information that any user might desire.
• Tohoku University IRIDeS is not responsible for the user’s activities on the Site. Additionally, it is not responsible for any harm and loss caused by using the Site.
• The Site may change its contents by adding, modifying, deleting, or halting its contents. However, the Site is not responsible for any harm and/or loss caused by such change.
• The Contents’ geographic information uses the location where the data was taken, and there is a possibility that the information is not accurate.

7 Change to Terms and Conditions
The Terms and Conditions are subject to change without any public announcement.

8 Supplementary Provisions
This User Policy is effective from March 11st, 2013.
